AP US GOVERNMENT

CREDIT HOURS: 0.5  COURSE LENGTH: 1 Semester

COURSE DESCRIPTION
This course will survey the complex subjects of U.S. Government and politics. Students will analyze in some detail the processes and institutions (both formal and informal) through which the political system functions and policy decisions are made. This analysis will include the Constitutional structure of government, participatory politics, the formal institutions of power, the extra constitutional influences on those institutions, and public policy and individual rights and liberties.

COURSE OBJECTIVES
Explain the American system of government and evaluate its strengths and weaknesses

1. Read, understand, and interpret primary source documents and contemporary news analyses related to American government and public policy
2. Analyze and interpret data and other relevant information to US government and politics
3. Write analytical and interpretive essays demonstrating an understanding of the ideals, institutions and processes of the American political system

COURSE PREREQUISITES
US History and teacher recommendation

19. The Final Exam
Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, Government in America illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government. Want to spark discussion? Is Voting for Young People? With a Postscript on Citizen Engagement By Martin P. Wattenberg, University of California, Irvine (ISBN: 0-205-51867-9). Instructor’s Manual to accompany Government in America: People, Politics, and Policy, 13th Comprehensive and Texas Editions Copyright 2008 Pearson Education All rights reserved. Printed in the United States of America. Instructors may reproduce portions of this book for classroom use only. Government in America presents information in a format that challenges students to make policy choices, to think about how policy choices affect them personally and to take action on policy choices. A variety of boxed features throughout the text provide background material and examples to supplement the contents of the chapter. Government In America book.
