
By George Anastasia

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Gotti's Rules: The Story of John Alite, Junior Gotti, and the Demise of the American Mafia, George Anastasia, From the New York Times bestselling author of Blood and Honor and The Last Gangster--"one of the most respected crime reporters in the country" [60 Minutes]--comes the sure to be headline-making inside story of the Gotti and Gambino families, told from the unique viewpoint of notorious mob hit-man John Alite, a close associate of Junior Gotti who later testified against him. In Gotti's Rules, George Anastasia, a prize-winning reporter who spent over thirty years covering crime, offers a shocking and very rare glimpse into the Gotti family, witnessed up-close from former family insider John Alite, John Gotti Jr.'s longtime friend and protector. Until now, no one has given up the kind of personal details about the Gottis-including the legendary "Gotti Rules" of leadership-that Anastasia exposes here. Drawing on extensive FBI files and other documentation, his own knowledge, and exclusive interviews with insiders and experts, including mob-enforcer-turned-government-witness Alite, Anastasia pokes holes in the Gotti legend, demystifying this notorious family and its lucrative and often deadly machinations. Anastasia offers never-before-heard information about the murders, drug...

Reviews

Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication i have got read inside my own lifestyle and might be he very best ebook for possibly.

-- Dr. Meta Smith

The ideal publication i possibly go through. It is amongst the most awesome publication we have study. I am just easily will get a satisfaction of studying a published publication.

-- Shanie Cartwright
John Gotti Jr. saw his fellow mob pal John Alite take the stand against him back in 2009 in an unsuccessful attempt to put him behind bars for murder conspiracy and racketeering. It was a last gasp shot by feds to finally put Junior Gotti away but the testimony of Alite wasn’t enough and like the three previous trials ended in a hung jury. Now in a final attempt to hurt his former mob pal Alite along with George Anastasia are set to release Gotti’s Rules: The Story of John Alite, Junior Gotti, and the Demise of the American Mafia. 

The John Alite book has been called an assassination by words spilling the secrets of the Gotti family along with that of the Gambino crime family. The Gotti family’s startling story has never been fully told until now. In Gotti’s Rules, veteran true-crime writer and prize-winning reporter George Anastasia gains unprecedented access to the notorious Gotti crime family’s stories and secrets, including its fascinating Gotti Rules of leadership. John Alite, who is the subject of the book and at one time in both Gotti’s innermost circles, is a thug, a killer and arguably a sociopath. All that said, he does not seem to mind sharing every sordid detail and embarrassing fact. The book seems to be the first honest expose of the Gotti regime. The Mafia is today a weakened organization, and what probably weakened it the most was the Gotti regime. Alite documents the final days of that empire very well. ‘Gotti’s Rules’: A mob story of grisly proportions. Updated Mar 29, 2019; Posted Mar 01, 2015. Facebook Share. 

My son was in third grade when he asked a librarian for books on local mafia. She told him there was no mafia -- in New Jersey. Incidentally, we live in Essex County and this was during the run of “The Sopranos.” The mob’s intrigue has always existed. In this, according to Alite, Gotti’s son, John A. Gotti, known as Junior, had the smarts of a backward kindergartner, granted a well-armed one. “It could be argued that Cosa Nostra was on the way out even before the Gottis got onstage.” Anastasia explains how second- and third-generation Italians make lousy mobsters; he says they don’t have their ancestors’ hunger. Let Junior Gotti and his lawyers spin that information any way they choose. The document speaks for itself. There was no attempt while writing this book to interview anyone in the Gotti camp. The backdrop is the Gotti family and the American Mafia; more accurately, the Gotti family and the demise of the American Mafia. No one individual has had more to do with the once secret society coming apart at the seams than John J. Gotti. Gotti was a mob boss who loved the spotlight, a celebrity gangster who thumbed his nose at the conventional wisdom of the old-time wise guys. Their idea was to make money, not headlines. Gotti thought he could do both. For a long time he did. He and his son embodied the Me generation of the mob.
